The 2023 Referendum

TUC is delighted to be a polling station for the 2023 Referendum on the **14th of October**.

The question we are voting on is:

A Proposed Law: to alter the Constitution to recognise the First Peoples of Australia by establishing an Aboriginal and Torres Strait Islander Voice. Do you approve this proposed alteration?

The Pamela Brown Handbell Choir

The Pamela Brown Handbell Choir was honoured to ring at last Sunday's Service led by the Rev. Gillian Crozier. We appreciate the response by the congregation at the conclusion of the service. We were also pleased with the interest that some expressed in exploring handbell ringing.

We practise on Wednesday evenings at TUC from 7:00-8:00pm. Our rehearsals will resume on Wednesday 27 September.

Cranbourne Food Truck Cabaret Night – 14 October

Featuring live music from the Cranbourne Lions Concert Band, silent auctions and trivia. BYO supper and drinks; tea and coffee provided.

Tickets via TryBooking – <https://www.trybooking.com/CJSUV>.

Farewell Chris

It is with great sadness that we say goodbye to Chris at Café.603. After contributing to the foundations of Café.603 and helping create the beautiful space we have now, Chris is now changing his working schedule to accommodate flexibility, to support his teenage children.

His last day will be on **Friday, September 29th**, please do come by to say goodbye. Angela will continue with a support team, to offer great tasting food and service in the café.

It is also with excitement then, that we announce Chris will be offering his services as a Private Seniors Support person. After consideration of his strengths and realising after serving and catering to our older community whilst in the café, Chris finds he gets a sense of purpose helping those that need it, in wanting to continue to participate in an active, dignified lifestyle.

So, if you need private support in companionship or assistance with daily activities and mobility support, please reach out to Chris in his new business:
